This event celebrates our 225th Anniversary in *informal* Ladies-at-the-Table style and set in 1793, the year Columbia Lodge received its Charter. It is planned to simply provide a pleasant evening of food, wine (***Bring Your Own Bottle***) or *Late Eighteenth Century inspired Punch (Provided)* and fellowship with our ladies without the embarrassment of fumbling with implements. The dress should be business suits for the men, and we won't presume to tell the ladies what to wear.

Reservations are required as this event is usually sold out.

Complete this reservation and submit with check for \$25 per person payable to Brian J. Berk by March 31, 2018.
