

MASTER'S MESSAGE

Brothers:

I would like to thank you for the opportunity to be Master of this lodge. I wish I could make a drastic change that would fill our lodge with brothers and we would have many applicants to join. Although I do not have the secret to accomplish this I do know that it is time to stop being the "Quiet Fraternity" and start making "Noise". We have been so quiet about "Masonry" that our communities, friends and even our families are not familiar with the Masonic works that are all around us. Our latest endeavor, "Child Identification Program" is not only a noble cause but an excellent opportunity to introduce Masonry to the public, and especially to young families. I would ask any brother who is able to help in a Chip Event to please do so and wear his apron proudly. Over 9000 children were processed through this program in Connecticut this year. I am sure that most of the parents heard of the Masons for the first time through these events.

I look forward to working with you this year and invite rusty brothers to come to lodge back to lodge. Remember, you never have to work your way into your own lodge, simply you're your paid dues card for admission.

Fraternally,
Donald A. Wills
