TRESTLE BOARD & LODGE INFORMATION

Brothers,

Under the leadership of WB Michael Hunter, 2022 proved to be another strong and charitable year for the lodge. Our charity golf tournament was another success, and many experienced their first Table Lodge.

This year, our suite of Officers continues to be full of young, new masons eager to learn and practice the principles of Masonry and we need your help! *Your prompt attendance at our meetings is earnestly solicited; yet it is not meant that Masonry should interfere with your necessary vocations.* I therefore offer up to you this challenge: pick at least ONE meeting or event this year and come join us!

FAMILY and **FELLOWSHIP** are important to me. For it is when we are together that we shine our brightest becoming the beacons of hope, love, and light to those around us who may wish to follow. I have built this year's trestle board to highlight these ideals and look forward to sharing them with you all this year. See you in lodge!
