Bug Man has done his thing. We should be bug free now.

Bro Mathew Winfrey, Regg Fowler, Bryan Dirschert and Dean Muhlenberg demonstrated their proficiency in the MM catechism. Four at a time is a first for OTL as far as anyone could remember Good job to brother Tom Hauser jr, their coach.

Proposed by-laws change

Several proposed by-laws changes were read at the December stated. Having been read, they will be put to a vote at the next stated meeting and either rejected or implemented, individually.

They are:

- 1 Move the starting time for stated meetings to 7:00 pm
- 2 Increase the initiation fees to \$150
- 3 Increase the annual dues fee to \$180 (\$154 + per capita)

OTL plans to meet with the OES in February and in March to discuss issues of shared importance to both organizations

In his holiday message, MW Kevan D. Frazier, Grand Master Of Masons in NC, has announced several changes to data keeping and communication systems. NC Mason will have 4 issues a year and, new for 2023, we will introduce a regular electronic newsletter in between NC Mason issues to publicize happenings in all of the lodges.

Mori and Our Lodge Page are to be replaced next Spring. This is intended to bring our data handling and communication systems up to date and add some features.

My timing was a little off last month as I stressed the benefits of Our Lodge Page. It was a noble effort if I do say so myself.

OTL Annual Raffle was a success. After expenses, a little over \$8000 was raised. Many thanks to those brought tickets, sold tickets, produced the tickets and processed the tickets, secured the prizes and delivered them. And I am sure I have left out someone. So thanks is due to everyone that helped.
