Candidate **Clarence Webb Tatum** was elected to receive the degrees. Target date—April 6.

**Wm Frost** spoke, impromptly, I believe, to the Lodge about an experience he had at work. I would title it as “enjoy your masonry”. It involved an encounter with a mason from another jurisdiction, a delivery man. WM Frost pointed out that “travel in .....” and interact with other masons is a major part of being a mason. So, enjoy your masonry.

**Sick and distressed. Are :** B A Byrd.

**Greetings** brothers and friends. Since we have not issued a newsletter by US Mail in a long time, a year I believe, this issue will repeat some information that was issued by email. We hope and pray that we will be out of this restricted mode of operation soon, and back to normal.

**Clean up Fix up day scheduled.** WM Frost has set a cleanup day for March 27th. The day will begin with breakfast at 8am and continue outside and inside.

**US Mail version of this newsletter** will be reinstated to assure that all members will be kept up to date on lodge happenings . But, if for personal preference or to save on costs you prefer the email version please let the mail team know as both versions will be offered. Plans are in place to contact every lodge member and check on his status and well being. Among other things, newsletter preference can be included.

**Brother Shawn Summerfield** was initiated into masonry March 8.

It was noted that **WB Ray Pope**, filling the JW seat at the March stated, will turn 90 years of age next week. He was also commended for his contribution to the weekly practice sessions.
