During the stated it was mentioned that the District will no longer offer this activity. Some Members of the lodge may continue this as an Old Town Lodge Event.

Filter & Water Heater Troubles

Brother Tom Hauser Jr found a disturbing amount of water in the utility room from a failed water filter. He discussed replacing the filter with a plumbing vendor, they suggested with us being on city water we did not need a filter, he purchased the parts needed to remove the filters and completed the repairs needed to stop the leak.

Discussion was then made on the Water Heater needing to be repaired. It would seem one of the heater elements is not working. It was noted that changing the element would be a fairly simple fix, but no plans were made during the meeting.

Brother Jamie Minton will provide the Lodge a 40
