
The Mission of Freemasonry

To promote a way of life that binds like-minded men in a worldwide brotherhood that transcends all religious, ethnic, cultural, social and educational differences; by teaching the great principles of brotherly love, relief and truth; and by the outward expression of these through its fellowship, its compassion and its concern, to find ways in which to serve God, family, country, neighbors and self.

The most important thing we do is take care of each other and our families. We are a fraternity. That means we help other Masons, treat them in special ways, support them no matter where they live. We build friendships all over the world. Not very many organizations do that today.

We also help others. We give over two million dollars a day to charity. Most of that money goes to help children. We rank among the top ten best-liked charitable groups in America.

We also teach leadership skills, and help men lead an ethics-based life. We promote good relationships and strong family values. We try to do something to strengthen the family unit every day.
