Trestle Board September - December

My Brothers,

It's hard to believe how quickly the months have gone, but what a meaningful stretch it's been. We've had strong attendance, engaged degree work, impactful instruction, and perhaps most importantly, a spirit of Brotherhood that continues to grow. We welcomed new Brothers into our Lodge, and I've seen firsthand how each of you has embraced them with Masonic light. We've also made great strides in community visibility and engagement, reconnecting with our neighbors, reminding them that Masonry is alive and well in Simsbury.

Looking ahead, my focus remains on delivering wholesome instruction, building stronger bonds amongst ourselves, and ensuring Lodge is a place where Brothers look forward to gathering. We'll continue our degree work, plan some fun, and, if the Great Architect allows, lay more foundation stones for the future of Valley Lodge #36.

Thank you for the trust you've placed in me as WM. It has been the honor of my lifetime.

With Brotherly Love,
Shane Dawe
